Information on this website has been prepared with the aim of providing fully accurate and actual information which are regularly checked for updates. However, a minor chance remains some information gets outdated for a short period of time. Orion may, without giving notices thereof, change, improve or update the website and/or the information contained therein, or cancel access to the website or a part thereof at any time. Information on this website may contain references to such Orion products or services that are not available in your country. You are advised to consult Orion's local business contact/marketing partner for information as to the availability of Orion products in your country.

Orion makes no representation whatsoever about any other website which is accessible through or linked to Orion's websites. Should you access a non-Orion website you are supposed to understand that it is independent from Orion. Orion assumes no responsibility for material created or published by third parties that Orion's website is linked to.

Should you submit comments or material to any of our servers, via e-mail or this Internet website, you agree that such information is made available by you knowing that it is non-confidential and non-proprietary and may be published by Orion. Moreover, you thereby authorise the material free and fit for publication. By submitting material through the facilities in this website you agree that Orion may publish the information and shall be free to use any such information and/or concepts included in it for any purposes whatsoever without liability.

You agree to indemnify and hold Orion harmless from any third party action taken against us in relation to the material you submit. You also agree not to take action against us in relation to this material.

Should you discover any copyright infringing material or links at Orion's website, you are kindly [asked to send us feedback](#) for prompt corrective action.

Cookies policy

Orion respects the privacy of personal data and the concerns that web visitors might have about the use of their data. In those cases where we collect and use personal data (name, address, contact information), we apply the very best practices.

In regard to cookies (cookies are small text files, which enhance the user experience on a website, by allowing the system to recognise returning visitors etc.) Orion uses only so-called first-party cookies which are cookies created and utilised by Orion. Third-party cookies (cookies that are created, managed and analysed by a separate entity, possibly providing some service to the organisation hosting the website) are not used by Orion. Orion does not share cookie data with any third party.

Statistics - Google analytics. Used to distinguish visitors – anonymity is protected.

If you want to use Orion websites and cannot accept the use of these cookies, we will ask you to deactivate the use of cookies within your browser settings. How to do this (so-called - opt-out) you can use the information on this website: <http://www.wikihow.com/Disable-Cookies>.
